Low-Cost Health Insurance for Children

If your children do not have health insurance, many families getting free or reduced price meals can also get free or low-cost health insurance for their children. The law requires public schools to share your free and reduced price meal eligibility information with Medicaid & **hawk-i**, the State's medical insurance program for children. Private schools, RCCIs and childcare organizations may choose to share this information. Specifically, we will give them your child's name, your name & address. Medicaid & **hawk-i** can only use the information to identify children who may be eligible for free or low-cost health insurance and contact you. They are not allowed to use the information from your free and reduced meal application for any other purpose or to share it with any other entity or program. You are not required to allow us to share this information, it will not affect your child's eligibility for free or reduced price meals. **If you do NOT want your information shared with Medicaid or hawk-i, you must tell us by completing the information below.** If you want further information, you may call **hawk-i** at 1-800-257-8563. Also, if you are already receiving Medicaid or **hawk-i**, please sign below. This will avoid another contact.

Self-Employment Income Calculations

This guidance will assist you in calculating the amount to report if you engage in farming, are self-employed or have income from other sources.

Self-employed persons may use income tax records for the preceding calendar year as a base to project the current year's net income, unless the current monthly income provides a more accurate measure. Report income derived from the business venture less operating costs incurred in the generation of that income. Deductions for personal expenses such as interest on home payments, medical expenses, and other similar non-business deductions are not allowed in reducing gross business income. Additional income from other kinds of employment must be treated as separate and apart from the income generated or lost from your business venture. For example, if you operated a business at a net loss, but held additional employment for which a salary was received, the income for purposes of applying for reduced price or free meals would be the income from the salary only. The loss from the business cannot be deducted from a positive income earned in other employment. For purposes of this application, it is not possible to report a negative income from any business venture. The least income possible is zero (no income). The necessary information for arriving at allowable income from private business operation may be taken from your most recent U.S. Individual Income Tax Return - Form 1040. Add together the amounts reported on the following lines:

- LINE 12 \$ _____ Business Income or (Loss)
- LINE 13 \$ _____ Capital Gain or (Loss)
- LINE 14 \$ _____ Other Gains or (Losses)
- LINE 17 \$ _____ Rental real estate, royalties, partnerships, S corporations, trusts, etc.
- LINE 18 \$ _____ Farm Income or (Loss)

TOTAL \$ _____ Gross Annual Income Before Any Deductions.

Computed Monthly Income \$ _____ (Gross Annual Income ÷ 12 = Computed Monthly Income.)

The computed monthly income should be reported in Step 3 on the Application for Free and Reduced Price School Meals under All Other Income.
