***The tardy bell rings at 7:50 AM.*** Your child will be counted tardy at **7:51 forward** either as **excused** (illness, family emergencies, recognized religious observances, appointments that cannot be scheduled outside the school day, school-sponsored or approved activities, to accompany parents out of town, to attend funerals, etc.); or **unexcused with no note from the parent or for simply being late**. Unexcused absences also include, but are not limited to, shopping, hunting, concerts, preparation/participation in parties/celebrations, and employment. Truancy will not be tolerated by the board.

***PLEASE let me know the reason for your child's absence. This information is needed in order to record attendance.***

***You are now able to view absences and tardies by accessing your PowerSchool portal account.***

As a courtesy, please call or email any changes to your child's pick-up arrangements for that day by 1:00 PM unless you have an emergency.

Transportation Reminder

The middle school is a transfer point **only** for before and after school. Parents should be dropping off and picking up their children at their attendance center if they have plans other than their typical bussing needs.

According to the Student Transportation Handbook (found on the Indianola website): ‘ . . . **Elementary parents cannot pick up or drop off elementary students at the Middle School for transportation.**’

Please have your child look on our lost and found table for items that may belong to your family.

## POP THOSE TABS

Enjoy a Beverage: Make a Difference

Wouldn't it be amazing if you could help many families going through difficult times by collecting a product you already use? With the pop tab program through the **Ronald McDonald House** you can do just that.

The small tab on the top of your aluminum beverage can might not seem like much, but when brought together in large quantities, they make a monumental difference.

Schools, businesses, and individuals come together to donate millions of tabs every year. After being sold for scrap, they bring in enough money to pay the electric bill every year at the Ronald McDonald House of Des Moines.
