From the ICSD Food Service Department:

As schools across the country work diligently to finish last minute preparations for the new school year, we are being faced with unprecedented supply chain challenges. These issues are forcing us to alter our posted menus, at times with little to no notice. While our intention is to serve the posted menu each day at every building throughout the district, supply concerns will not make this possible throughout the year. We will attempt to substitute the original menu item with an item that is similar in nature, and still meets State and Federal requirements. We appreciate your patience and understanding! Please continue to check our online menus often at: <https://indianola.nutrislice.com/menu/>

And, Reminder: Meals are free to all students again this year!
