NEW THIS WEEK
January 11, 2021...

Students, bring a mask to school each day. It is your responsibility!

Parents, Please Read:

If You are Voluntarily Switching Your Student to Remote Learning...

If you will be changing your child to remote learning for 3rd quarter and you haven't notified the office yet, you will need to do so ASAP. The phone number is 515.961-9530.

Please Note: All voluntary remote learners are now required to make a minimum 9-week commitment before switching back to onsite learning.

Again, these guidelines are for those students who are voluntarily changing to remote. These guidelines are not for students who are learning at home due to direct exposure to Covid or due to a positive Covid test.

All Parents, Please Check your Child's Account for Fines

School fines are viewable on PowerSchool . These fines are for overdue books, textbooks not returned, band supplies, uniforms, etc. Directions for viewing fines can be found [here](#). Please note—fees/fines cannot be paid using the PowerSchool mobile app. If you prefer to pay with check instead of online, please make check payable to IMS and turn it in to the main office. Be sure to note the student's name and what the fine is that is being paid. Please call 961.9530 x3156 if you have questions.

***Please Note* that middle school fines will stay with a student through high school and must be paid before they graduate. It's a much easier process to either find the lost item or pay for it while your child is still in middle school.**

Thank you for your cooperation.

No School Monday & Tuesday, January 18th and 19th

Hat Day this Friday

Friday the 15th is National Hat Day. Students may bring \$1 or a canned food item if they want to wear a hat that day. All canned goods will go to a local food pantry and monetary donations will go to a local charity. The grade that collects the most donations will choose the charity.

Check with Mrs. Fitzpatrick if you have questions.

SCHOOL NEWS...

Covid-19 Clarifications:

Remote Learning: Students who have elected to learn remotely must make a long-term commitment in doing so (at least 9 weeks). Students who have tested positive for Covid-19, or have been in direct contact with someone who has tested positive for the virus and are in quarantine, will be considered an onsite learner even though they'll be learning from home. They can check Class Pages and contact teachers for work.

Absence Due to Illness NOT Related to Covid-19: Students who are absent from school because of an illness *unrelated* to Covid-19 will continue to be onsite learners and will follow the makeup policies in the student handbook. Students are encouraged to view PowerSchool class pages to see what they have missed and may begin to complete assignments before returning. However, they will not become remote learners during the time of their illness.

Direct Contact/Positive Test: Students who have been in direct contact with someone who has tested positive for Covid-19 or have tested positive themselves need to contact the middle school health office ASAP (515.961.9530 x3124). Once notified, the administrative office will contact teachers and let them know that the student will be learning at home.

Updated Guidance on Face Coverings Effective November 2, 2020

The Indianola School District has amended its current policy regarding face coverings **effective November 2**. The policy will now require all K-12 students and staff to wear face masks, with provisions for mask breaks and instructional use of face shields, within physical distancing and per public health guidelines. Also note that **Gaiters are not acceptable face masks**. Thank you for your attention to this change as we continue to work through this pandemic and do our best to provide a safe learning environment for our staff and students.

Student and Parent App Tutorials

Click [here](#) to find valuable information on how to maneuver through many of the apps that are being used this school year.

If You Forget Items at Home

Before you leave your home each day, please make sure you have everything you need: binder, Chromebook, water bottle, MASK, school project, ID, etc. Many items are being dropped off, but we would like to reduce the traffic coming into the building.

If you do forget something and your parent brings it to school after the day has begun, an email will be sent to you to let you know it's in the office. It will not be delivered to you; it is your responsibility to check your email throughout the day. Other important information is emailed as well, including announcements and early dismissal pass notifications. Please make it a habit to check your email during the school day.

PowerSchool

PowerSchool is the district's student information system. [Here](#) is a link to the PowerSchool Parent & Guardian Success site. You will find helpful information to log in, set up notifications, check fines/fees, use the mobile app, and much more.

Parents, please take a look at the two sets of directions linked below for managing your email subscriptions. Note: these directions do not allow parents to unsubscribe from all district emails—only the automated PowerSchool emails.
