If You Drop Off or Pick Up Your Child *Read This*

For our students' safety, do not drop off or pick up where there are yellow painted curbs or in the lanes in the middle of the parking lot. Please follow the flow of traffic that allows students to safely walk on the sidewalk to get to your vehicle. We do not want them crossing lanes of traffic, especially during our busy times.

Thank you for your cooperation.

From the ICSD Food Service Department:

As schools across the country work diligently to finish last minute preparations for the new school year, we are being faced with unprecedented supply chain challenges. These issues are forcing us to alter our posted menus, at times with little to no notice. While our intention is to serve the posted menu each day at every building throughout the district, supply concerns will not make this possible throughout the year. We will attempt to substitute the original menu item with an item that is similar in nature, and still meets State and Federal requirements. We appreciate your patience and understanding!

Please continue to check our online menus often at: <https://indianola.nutrislice.com/menu/>

And, Reminder: Meals are free to all students again this year!
