Transportation Reminder

The middle school is a transfer point **only** for before and after school. Parents should be dropping off and picking up their children at their attendance center if they have plans other than their typical bussing needs.

According to the Student Transportation Handbook (found on the Indianola website): ‘ . . . **Elementary parents cannot pick up or drop off elementary students at the Middle School for transportation.**’

National Diabetes Day

Button, button who has the button?

Fall intercession was a success and we are planning for spring already. Pearl buttons are a part of Iowa history. The Mississippi River town of Muscatine was the pearl button capital of the world decades ago.

We are looking for all types of buttons - big, medium, small; any color and any size and made of any material (plastic, metal, glass, shell, ceramic, wood, etc.). We received our first donation from a member of the Iowa State Button Society. Joyce Bimbi donated over one pound of buttons last week for our project. Please help us fill our Irving button jar for activities. The button jar is located in the office.

Pop those tabs

Enjoy a Beverage: Make a Difference

Wouldn't it be amazing if you could help many families going through difficult times by collecting a product you already use? With the pop tab program through the **Ronald McDonald House** you can do just that.

The small tab on the top of your aluminum beverage can might not seem like much, but when brought together in large quantities, they make a monumental difference.

Schools, businesses, and individuals come together to donate millions of tabs every year. After being sold for scrap, they bring in enough money to pay the electric bill every year at the Ronald McDonald House of Des Moines.
