

## CAREER EXPLORATION AGREEMENT

1. Student is not permitted to miss school in order to complete the required job shadowing hours.
2. Student is not permitted to shadow parents/guardians or relatives.
3. Student is responsible for scheduling his/her career exploration.
4. Transportation of the student to the observation site is the responsibility of the parent/student.
5. The student must journal his/her activities/experiences at the observation site.
6. Parent/student understands that each career exploration location may be contacted by the scoring panelists following the student's visit.
7. This agreement must be signed by the student and the parent prior to participation in the career exploration.
8. Parent and student agree to release the training site and the school district from any and all all liability for injury or losses that may arise during the career exploration.

---

*As parent/guardian, we hereby agree to the terms and conditions of this Career Exploration Agreement.*
