Third Grade: Parents please make sure you have turned in your child's vision screens. These are mandatory screenings and need to be turned in prior to our state vision audit.

From the Health Office:

Please keep a change of clothes including underwear and socks in your students backpack. We do not have a lot of extra clothes and it would be much easier if all kids just kept a change for accidents, spills, etc.

Indianola Community Backpacks for Hunger The Ministerial Association of Indianola is implementing a new outreach to families in our community. It is our desire to help meet some of the needs of children easing the burden parents are dealing with during these tough economic times. We are offering a bag of food for children to be sent home with them on Friday afternoon. The bags will be filled with six entrees and two snacks that are child friendly and easy to prepare. If this is something that would be a benefit to your child, please contact us at 515-961-5755 or 515-333-8374 so that we can get your child's information and get them started in the program. All information will be kept confidential. The Indianola Ministerial Association

Please continue to send your Hy-Vee receipts and Box Tops to school!

Welcome to the Digital Backpack!

If you are looking for Indianola school and community events and information, then you have come the right place! To cut down on paper usage and the volume of materials sent home with students each week, nonprofit organizations are asked to submit their events, announcements, and flyers to our digital backpack. In accordance with board policy, here you will find information from school sponsored, affiliated, and supported organizations; nonprofit community organizations, programs, camps; and more.
