The Missoula Children's Theatre (MCT), the nation's largest touring children's theatre, mission is the development of life skills in children through participation in the performing arts.

MCT is based in Missoula, Montana, and runs many local and touring programs. These include musical theatre day camps and performing arts classes for children, a summer residency Performing Arts Camp for students from around the world, and the Missoula Community Theatre, which creates an arena for local talent of all ages to participate in large-scale productions and attracts audiences from western Montana.

MCT has been touring extensively for more than 40 years from Montana to Japan, and will visit nearly 1,200 communities this year with up to 44 teams of Tour Actor/Directors. A tour team arrives in a given town with a set, lights, costumes, props, and make-up, everything it takes to put on a play . . . except the cast. The team holds an open audition and casts 50-60 local students to perform in the production. The show is rehearsed throughout the week and two public performances are presented on Saturday. All MCT shows are original adaptations of classic children's stories and fairytales . . . a twist on the classic stories that you know and love.

Also included in the week-long program are three enrichment workshops presented by the Tour Actor/Directors. Creativity, social skills, goal achievement, communication skills, and self-esteem are all characteristics that are attained through participation in this unique, educational project.

# Camp Schedule

The Indianola High School Drama Club and Carousel Theatre of Indianola are partnering with the Missoula Children's Theatre to present *King Arthur's Quest*, a summer Theatre Camp, where every child has a special part to play!

This week-long Theatre Camp goes beyond the traditional run-of-the-mill summer day camp. Throughout the week our guests from Missoula Children's Theatre will direct participants through the ins and outs of this fantastic children's musical, *King Arthur's Quest*.

After an all-inclusive audition process on the first day, participants will spend most of their time refining their skills in two, two-hour rehearsal sessions per day. Every participant is guaranteed a role in the play. ***Based on the role in which the participant is cast, he or she will not likely need to be at every rehearsal session during the week. But because auditions are held on the first day, to participate, everyone must commit to being available for every session of every day of the week-long program.***

A full schedule will be provided at the beginning of the week after auditions are completed and the cast is selected. But, in general, the week-long schedule will consist of the following:

## Monday

8:00 AM-10:00 AM-Auditions  
10:30 AM-12:30 PM-Session 2

## Tuesday-Friday

8:00 AM-10:00 AM-Session 1  
10:30 AM-12:30 PM-Session 2

## Saturday

2:00 PM and 4:00 PM-Performances  
*call times TBD*

***Note: No meals or snacks are provided. Parents/guardians need to provide a meal or snack for their child if he or she is scheduled to be at both sessions for the day.***

the Missoula Children's Theatre all-kids production of

**Auditions — August 6**  
**Rehearsals — August 6-10**  
**Performances — August 11**

**Cast — 60 students**  
**for all students entering 1st - 9th grade**

King Arthur, of legend and song, strode across medieval England with courage and confidence...or did he? What if the troubles of his kingdom threatened to overwhelm him? Watch the damsels in distress sound the warning of trouble and witness the Lady of the Lake as she produces the sword in the stone. Hide with the Camelotians when the ghost of Arthur's Father visits the castle and see the giant tower over the questing knights. Cheer for the king when he makes friends with the terrible dragon and listen in as Morgan le Fey and Mordred propose a better plan. Join the knights and squires of the Round Table as they try to do the right thing. Hope for the best outcome as your favorite characters of Camelot — Arthur, Guinevere, Merlin, Taleisin, The Raven, and Lancelot wrestle with the challenges faced by their people.

Follow the original twist on this familiar story as it weaves its way through a landscape full of surprises!
