Indianola Kiwanis Club and Rotary Club have joined together in hopes of establishing an inclusive designed play area for children who face difficulties finding a location where they can play along with other children. Pickard Park has been chosen as it attracts an average of 200,000 visitors a year. Your vote may help us secure a \$25,000 grant towards this equipment. Our hopes are that this addition will be a catalyst to future inclusive equipment within the area. Friends and family can vote, do not need to live in Indianola to vote
