An entire RFP cannot be marked confidential. Only those sections that meet the criteria in Iowa Chapter 22 or other applicable laws for confidentiality may be marked and treated as confidential information.

## 2.10 RFP Clarification Process

The SFA reserves the right to contact a vendor for the purpose of clarifying price/package information to ensure mutual understanding. Issuance of this RFP in no way constitutes a commitment by the SFA to award any contract or agreement. The SFA reserves the right to accept or reject any part of any RFP and to accept or reject any and all RFPs without penalty. This RFP is designed to provide the vendor with the information necessary to prepare a competitive proposal. It is not intended to be comprehensive and each vendor is responsible for determining the factors necessary for submission of a comprehensive proposal. A RFP may be rejected for various reasons, including but not limited to any of the following reasons:

The vendor fails to deliver the proposal by the due date and time.

The vendor fails to comply with requests for additional information for clarification purposes, or for request for documents and references within the time specified.

The vendor presents information requested by this RFP in a format that is inconsistent with the instructions of this RFP.

The vendor response limits the rights of the SFA.

The vendor response materially changes the service requirements.

The vendor states a service requirement cannot be met.

The vendor fails to include information necessary to substantiate that it will be able to meet a product or service requirement. A response of "will comply" or merely repeating the requirement is not sufficient. Responses must indicate present capability; representations that future developments will satisfy the requirement are not sufficient.

The vendor rejects in whole or in part the Terms and Conditions of this RFP.

Modifications, additions or changes to the Terms and Conditions of this RFP

The vendor submits proposal with missing or inaccurate pricing information on the *Market Basket Pricing Spreadsheet* may be ineligible for evaluation and selection for an awarded contract.

The vendor fails to include any signature, certification, authorization, stipulation, disclosure, guarantee or other item requested in this RFP.

The vendor fails to disclose any matters that might be conflict of interest, real or apparent shall constitute a material breach of the contract.

All Vendors submitting a IFB, agree to comply with all required contract provisions identified in program regulations for programs operated (7 CFR Parts 210, 215, 220, 225, 226, as applicable), USDA Foods (7 CFR Part 250), and Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR Part 200), respectively.

## 3 SECTION 3: VENDOR QUALIFICATIONS AND RESPONSIBILITIES

### 3.1 Requirements

The SFA is looking for a Prime Vendor to provide the food, supplies, and services listed in this RFP.

If the vendor is unable to provide food, supplies, and services to the SFA, the vendor must briefly define what can and cannot be provided including the reason. The SFA will determine if the request is accepted. If the request is denied, the vendor RFP may be rejected.

In case of default by the awarded contractor, the SFA, after due notice, may procure the necessary food, supplies, or services from other sources and hold the awarded contractor responsible for any excess cost, including costs related to procurement (e.g., cost of labor and supplies).

Continuous documented instances of noncompliance with contract terms and conditions may result in termination of the contract.

The vendor will provide names and contact information of three (3) references of SFA customers of similar size.

The products and pricing of the awarded contract may be available for other SFAs or eligible entities (piggybacking), after the initial contract is awarded. By submitting a proposal, the vendor agrees to make the same contract terms and conditions, products and price available to other SFAs and eligible entities. The SFA will not in any way incur any liability in relation to specifications, delivery, payment, or other aspect of purchases by any other SFA or other eligible entities.

If the value of this contract increases by 10% it will constitute a material change. This will require the SFA to re-bid the contract. In general, a material change can be thought of as a change made to a contract after it has been awarded that alters the terms and conditions of that contract substantially enough, to the extent that had other vendors known of these changes in advance, they could have bid differently and more competitively. As such it is not expected that the total value of this RFP will increase or decrease significantly.

### **3.2 Federal Procurement Requirements**

All vendors submitting a Request for Proposal agree to comply with all the required contract provisions identified in Child Nutrition Programs procurement regulations for those programs the SFA operates. The applicable regulations are [*insert* NSLP 7 CFR Part 210.21, SBP 7 CFR Part 220.16, SMP 7 CFR Part 215.14a, SFSP 7 CFR Part 225.17, CACFP 7 CFR Part 226.22, FDP 7 CFR 250, *as applicable*] and Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR Part 200).

The vendor shall comply with any reasonable requests for information.

The vendor shall not include, without prior approval; the SFA's name in a published list of customers.

The vendor agrees not to publish or cite in any form any comments or quotes from the SFA without prior approval.

The vendor agrees not to refer to the contract award in commercial advertising in such manner as to state or imply that the vendor products or services provided are in any way endorsed or preferred by the SFA.

This awarded contract will represent the contractual requirements listed in this RFP, amendments to this RFP, and selected Prime Vendor proposal. Failure to execute the awarded contract will disqualify awarded contractor and the next responsive and responsible vendor with the next highest scoring points will awarded a contract. The SFA has full responsibility for ensuring that the terms of the contract are fulfilled.

Once proposals are opened they become the property of the SFA and will not be returned.

### **5.2 Appropriated Funds**

Any and all payments to the vendor are dependent upon and subject to the availability of funds to the SFA for the purpose set forth in this agreement. In the event no funds or insufficient funds are appropriated for payments due under a contract made pursuant to this RFP, the SFA shall immediately notify the vendor awarded the contract of such occurrence but the SFA shall have no further obligation.

Following execution of the contract, the vendor shall proceed diligently with all services and shall perform such services with qualified personnel in accordance with the contract.

## 5.6 Contract Termination

Except as otherwise provided within the Terms and Conditions of this RFP and per Child Nutrition Programs procurement regulations, the resulting contract may be terminated in whole, or in part, by either the SFA or the vendor for any reason including in the event of substantial failure by the other party to fulfill its obligations under the contract through no fault of the terminating party; provided that:

## 5.7 Conflict of Interest Clause

The vendor will maintain a written code of standards of conduct governing the performance of their employees engaged in the administration of contracts. ## 5.8 Buy American

The vendor will comply with the Buy American provision. The Buy American Provision in Section 12(n) of the NSLA requires SFAs to purchase, to the maximum extent practicable, domestic commodity or product. This provision supports American agriculture. Section 12(n) of the National School Lunch Act (NSLA) defines "domestic

commodity or product” as an agricultural commodity that is produced in the United States (U.S.) and a food product that is processed in the U.S. substantially using agricultural commodities produced in the U.S. “Substantially” means over 51% of the final processed product (by weight or volume) must consist of domestic agricultural commodities. This means that unprocessed, agricultural commodities must be domestic. Processed food must be processed domestically and must contain agricultural food that is over 51 percent domestically grown, by weight or volume as provided in the specifications.

In order to be in compliance with the Buy American provision, the SFA requires the vendor to:

- Provide documentation to verify the percentage of U.S. content in any processed end product
- To allow periodic review of storage facilities, freezers, refrigerators, dry storage, and warehouses.
- Require a certification of domestic origin for agricultural products which do not have country of origin labels. For each product with no country of origin label, complete the information in the following statement:
  - “The vendor certifies that the product was processed in the U.S. and contains over 51 % of its agricultural food component from the U.S.”

There are limited exceptions to the Buy American provision in circumstances when use of domestic foods is truly not practicable. These exceptions are:

- The food product is not produced or manufactured in the U.S. in sufficient and reasonably available quantities of a satisfactory quality; or
- Competitive bids reveal the costs of a U.S. product are significantly higher than the non-domestic food product.

In order to be in compliance with limited exceptions to Buy American requirement, the vendor will work with the SFA. The vendor will comply with the following process: To be considered for an alternative or exception, the request must be submitted in writing to Jim Rupp, jim.rupp@indianola.k12.ia.us a minimum of 30 days in advance of delivery. The request must include:

- A. Identify an alternative substitute(s) that is domestic and meet the required specification including:
  - i. Price of the domestic food alternative substitute(s); and
  - ii. Availability of the domestic alternative substitute(s) in relation to the quantity ordered.
- B. Reason for exception: limited/lack of availability or price (include price):
  - i. Price of the domestic food product; and
  - ii. Price of the non-domestic food product that meet the required specification of the domestic product.

## 5.9 Equal Employment Opportunity

The vendor shall comply with the Executive Order 11246, “Equal Employment Opportunity”, as amended by Executive Order 11375, “Amending Executive Order 11246

Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60,”Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

To comply, the vendor will:

- i. Provide equal opportunity to all qualified persons, to prohibit discrimination in employment on the basis of race, color, religion, sex or national origin.
- ii. Will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin.
- iii. That the applicants are employed and treated fairly during employment, which shall include, but is not limited to the following: upgrading, demotion, or transfer; recruitment, layoff or termination, rates of pay or other forms of compensation; and selection for training.
- iv. The vendor will post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of the non-discrimination clause.
- v. USDA Non-Discrimination Statement - In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

- vi. Iowa Non-Discrimination Statement - It is the policy of this CNP provider not to discriminate on the basis of race, creed, color, sex, sexual orientation, gender identity, national origin, disability, age, or religion in its programs, activities, or employment practices as required by the Iowa Code section 216.6, 216.7, and 216.9. If you have questions or grievances related to compliance with this policy by this CNP Provider, please contact the Iowa Civil Rights Commission, Grimes State Office building, 400 E. 14th St. Des Moines, IA 50319-1004; phone number 515-281-4121, 800-457-4416; website: <https://icrc.iowa.gov/>.

By submitting a response, the vendor has agreed to affirmatively cooperate in the implementation of the policy and provisions of Executive Order 11246, Executive Order 11375, and 40 CFR part 60.

### **5.10 Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387)**

The vendor is required to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act 42 U.S.C. 7401-7671q and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

### **5.11 Energy Policy and Conservation Act (42 U.S.C. 6201)**

The vendor agrees to comply with all mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act.

### **5.12 Insurance**

The vendor awarded the contract shall maintain all necessary and proper insurance for the duration of the work to be performed, including Comprehensive General Liability Insurance, Property Damage Insurance, Workers Compensation Insurance, Employer's Liability Insurance, and Automobile Liability Insurance. Should any required insurance be cancelled before the expiration date, the issuing company will mail 30-days written notice to the SFA. The awarded vendor shall meet the statutory requirements of the State of Iowa for workers' compensation coverage and employer's liability insurance.

### **5.13 Food Recall**

The awarded vendor shall be expected to voluntarily comply with all federal, state, and local mandates regarding the identification and recall of foods from the commercial and consumer marketplace. The vendor should have a process in place to effectively respond to a food recall; the process must include accurate and timely communications to the SFA and assurance that unsafe products are identified and removed from SFA

site(s) in an expedient, effective, and efficient manner. The awarded vendor shall maintain all paperwork required for immediate and proper notification of recalls for full and split cases.

#### 5.14 Fill Rate

The awarded vendor must be able to guarantee a 95 percent fill rate on all deliveries made, by school or delivery location. The following information must be provided to the SFA:

1. Monthly fill rate reports.
2. Fill rate is calculated by dividing the number of units delivered by the number of cases ordered by school/delivery location.
3. Show orders on both the "Ordered" date and the "Delivered" date.
4. Substitutions, even though pre-approved, will not count as order filled. Substitutions will reduce the fill rate.
5. Special order items, as indicated on monthly price up-date are not included in the fill rate.
6. Inability to consistently meet 95 percent fill rate may result in the termination of the contract.
7. The awarded vendor will provide procedures for Special Orders.

#### 5.15 Substitutions

All substitutions require the prior approval of the SFA Food Service Director or designated authority. If awarded contractor is temporarily out of stock of a particular item, an equal or superior item may be delivered. Approved substituted items still reduce the awarded vendor's fill rate (refer to Section 5.14)

In the event of significant price escalation, the SFA, at its sole discretion, may discontinue purchase of an item. The awarded vendor may suggest to the SFA Food Service Director or designated authority acceptable substitutions at equal or lower price.

The awarded vendor will notify the SFA at least thirty (30) days prior if there is a product discontinuance, manufacturer, pack size and other product changes, and house brand packer. The awarded vendor will coordinate to an acceptable product transition with the SFA.

Although manufacturer product changes and discontinuations are not the responsibility of the awarded vendor, it is expected that the awarded vendor inform the SFA at least thirty (30) days prior to the change. A copy of the manufacturer's notification notice may be requested by the SFA.

Food product substitutions must meet the Buy American Provision. The awarded vendor will notify and require prior approval of the SFA Food Service Director or designated authority if non-domestic food products will be substituted. The SFA will maintain documentation for prior approval of non-domestic food product which will include alternative considerations prior to approving a non-domestic product and reasons for making exceptions to purchasing a domestic agricultural product. The two exceptions for the purchase of non-domestic agricultural products are:

1. The food product is not produced or manufactured in the U.S. in sufficient and reasonably available quantities of a satisfactory quality; or
2. Competitive bids reveal the costs of a U.S. product is “significantly higher” than the non-domestic product. The SFA has the discretion to determine the amount or percentage that is considered “significantly higher.”

### **5.16 Confidentiality of Proposal**

In submitting a proposal, the Vendor agrees not to disclose or otherwise reveal the contents of its RFP to any source outside of the SFA contact, government or private, until after the award of the contract. All vendors who submit a RFP are advised that they are not to have any communications with the SFA during the evaluation of the RFP (i.e., after the opening of the RFP and before the award of the Contract), unless the SFA Issuing Officer contacts the vendor for the purpose of seeking clarification. Only those communications with the SFA as authorized by this RFP are permitted.

### **5.17 Protest Procedures**

The appeal must clearly and fully identify all issues being contested by referencing the page(s), section(s), line number(s) and/or the Notice of Intent to Award. A notice of appeal may not stay the negotiations with the apparent successful vendor.

### **5.18 Indemnification**

Awarded vendor shall indemnify participating SFA from and against any and all claims, demands lawsuits, liabilities, judgments, and expenses (including attorney fees and other costs of litigation) arising out of or relating to injuries, disease, or death of persons or damages to or loss of property resulting from or in connection with the negligent performance of this contract by the vendor, its agents, employees, or one for whom the vendor is responsible. The vendor liability shall not be limited by any provisions or limits of insurance set forth in this contract. The obligations, indemnities, and liabilities are assumed by the vendor under this paragraph shall not extend to any liability caused by negligence of the participating SFA or its employees.

The vendor awarded the contract must retain all pertinent records identified by source, type, and category for a minimum of three (3) years after the participating SFA makes final payments. In the event of any unresolved audit findings, the records shall be retained beyond the three (3) year period for as long as required for resolution of the issues raised by the audit.

### **6.1 Evaluation**

Proposals that are submitted prior to or on the due date and time and are not subject to disqualification will be reviewed in accordance with the evaluation criteria set forth in this RFP. The evaluation process is developed to award the contract to the lowest responsive and responsible vendor.

### **6.2 Evaluation Committee**

The SFA intends to conduct a comprehensive, fair, and impartial evaluation of proposals received in response to this RFP. The SFA evaluation team will review the proposals using the evaluation criteria outlined in this RFP.

The SFA will evaluate each proposal independent of other proposals. As part of the evaluation process, the SFA may request samples, for example NEW products and any substitutions.

1. Samples requested will be a full or partial case.
2. Samples may be unboxed and unlabeled when requested for testing.

Product samples required for testing purposes will be requested by the SFA's designated contact person. Product samples are to be delivered within ten (10) business days of the request to the appropriate site(s).
