Day B: Periods 1,3,5,7

2:10 Dismissal

GENERAL INFORMATION:

REMOTE LEARNERS RETURNING TO ONSITE 4TH QTR: If you would like to return to on-site learning for 4th Quarter, please email building secretary, Stacey Johnson (stacey.johnson@indianola.k12.ia.us) **by Friday, March 26.**

STUDENTS:

JUNIORS: Next Thursday April 1st, ALL 9-11 students must attend advisory for an infrastructure trial. Please report to your assigned advisor with your computer in order to complete the trial process.

#BeAVoter Iowa Secretary of State Paul Pate is encouraging all Iowa high schools to encourage voter registration on March 30. The date coincides with the 50th anniversary of Iowa ratifying the 26th Amendment to the U.S. Constitution, lowering the voting age from 21 to 18.

Why should I register? Voting is a very important part of any democracy. By voting, citizens are participating in the democratic process. Citizens vote for leaders to represent them and their ideas, and who will support their interests.

Here is a link to the [Iowa Secretary of State's voter registration webpage](#). You will find all directions necessary to register. In Iowa, state law allows 17 year old students to register.

DRESS CODE: As we start once again to feel the warmth of the sun, it is a great time to revisit the IHS Dress Code Policy. Our goal is to create and maintain a safe and productive learning environment, with little distraction. We know there is a strong connection between student appearance, student conduct, and student achievement.

We know one of the fashion trends this spring is to bare your midriff. Please make special note that the IHS Dress Code specifically states that midriffs must be fully covered. (That means everyone.) Please do not put yourself in the position of having a staff member directing you to change your outfit. If you do not have something else to wear at school with you, we do have some extra t-shirts in the office or you will be sent home to change.

Please read over the policy below. (You may also find the policy in our Student Handbook on-line.) This policy was also shared with students during Advisory at the beginning of the school year.

Dress Code

Students are expected to wear clothing that is appropriate for the classroom and does not disrupt the educational environment. Students are expected to maintain reasonable levels of cleanliness and modesty. Clothing that is sexually explicit or overly revealing will be considered inappropriate. Clothing should completely cover the chest, midriff, buttocks, and undergarments. Clothing or accessories with wording or graphics that are racist, sexist, profane, or demeaning to others, or that advocates violence or the consumption of alcohol or use of illicit drugs will not be permitted. Symbols that are divisive and have the potential to disrupt the school environment, such as the Confederate flag, will also not be permitted unless part of an approved educational activity. Students are not to wear hats or sunglasses in the building unless required for bona fide religious or medical reasons. Large coats are not appropriate in the classroom unless temperatures in the building require additional clothing. Under certain circumstances or during certain classes, field trips, or activities, a stricter dress code may be appropriate and students may be expected to comply with stricter requirements. Staff are encouraged to enforce these policies consistently and without regard to gender. Building administrators will make the final determination of the appropriateness of a student's appearance. Students in violation of this policy will be asked to change their clothing to meet acceptable standards or they may be sent home. In the event that a student is sent home, parents will be contacted. Continued deliberate violation of this policy may result in disciplinary action.

Never heard of this show before?! Check out the synopsis:

Winner of the Tony and the Drama Desk Awards for Best Book, *The 25th Annual Putnam County Spelling Bee* has charmed audiences across the country with its effortless wit and humor. Featuring a fast-paced, wildly funny, and touching book by Rachel Sheinkin and a truly fresh and vibrant score by William Finn, this bee is one unforgettable experience.

An eclectic group of six mid-pubescents vie for the spelling championship of a lifetime. While candidly disclosing hilarious and touching stories from their home lives, the tweens spell their way through a

series of (potentially made-up) words, hoping never to hear the soul-crushing, pout inducing, life un-affirming "ding" of the bell that signals a spelling mistake. Six spellers enter; one speller leaves! At least the losers get a juice box.

A riotous ride, complete with audience participation, *The 25th Annual Putnam County Spelling Bee* is a delightful den of comedic genius. The small cast and unit set make this a perfect option for high schools or community theatres. *The 25th Annual Putnam County Spelling Bee* is a fast-paced crowd pleaser and an instant theatre patron favorite.
