## STUDENTS:

**Prom is coming up!** Want to know what Mr Carlin looked like when he went to Prom? What did Herr Clogg look like with hair? Who is married to their high school sweetheart? Stop by the office windows of the Counseling Office to check out some of our staff's Prom Pictures. Starting next week IHS can vote on Best Couple.....more to come!

**SOPHOMORES:** Indianola Dollars for Scholars is looking for a student liaison to serve on their board. Please see Mrs Coghlan in the Guidance Office to pick up an application.

**POST PROM UPDATE:** Post Prom is ON and a really fun night is planned! All Juniors and Seniors *and* their guests are WELCOME. The event will run from 12:00 pm - 3:00 a.m. Students will be allowed into Blake Fieldhouse between 11:45pm – 12:15am. Once doors are closed, no one else will be admitted.

**JUNIORS:** Thursday, April 1st, ALL 9-11 students must attend advisory for an infrastructure trial. Please report to your assigned advisor with your computer in order to complete the trial process.

**DRESS CODE:** As we start once again to feel the warmth of the sun, it is a great time to revisit the IHS Dress Code Policy. Our goal is to create and maintain a safe and productive learning environment, with little distraction. We know there is a strong connection between student appearance, student conduct, and student achievement.

We know one of the fashion trends this spring is to bare your midriff. Please make special note that the IHS Dress Code specifically states that midriffs must be fully covered. (That means everyone.) Please do not put yourself in the position of having a staff member directing you to change your outfit. If you do not have something else to wear at school with you, we do have some extra t-shirts in the office or you will be sent home to change.

Please read over the policy below. (You may also find the policy in our Student Handbook on-line.) This policy was also shared with students during Advisory at the beginning of the school year.

#### **Dress Code**

*Students are expected to wear clothing that is appropriate for the classroom and does not disrupt the educational environment. Students are expected to maintain reasonable levels of cleanliness and modesty. Clothing that is sexually explicit or overly revealing will be considered inappropriate. Clothing should completely cover the chest, midriff, buttocks, and undergarments. Clothing or accessories with wording or graphics that are racist, sexist, profane, or demeaning to others, or that advocates violence or the consumption of alcohol or use of illicit drugs will not be permitted. Symbols that are divisive and have the potential to disrupt the school environment, such as the Confederate flag, will also not be permitted unless part of an approved educational activity. Students are not to wear hats or sunglasses in the building unless required for bona fide religious or medical reasons. Large coats are not appropriate in the classroom unless temperatures in the building require additional clothing. Under certain circumstances or during certain classes, field trips, or activities, a stricter dress code may be appropriate and students may be expected to comply with stricter requirements. Staff are encouraged to enforce these policies consistently and without regard to gender. Building administrators will make the final determination of the appropriateness of a student's appearance. Students in violation of this policy will be asked to change their clothing to meet acceptable standards or they may be sent home. In the event that a student is sent home, parents will be contacted. Continued deliberate violation of this policy may result in disciplinary action.*
