Boys State is an American Legion program held by each state across the entire nation. It is a dynamic six-day course in which participants learn about the functioning and role of government at the city, county, and state level. This is a total “hands-on” program in which participants actively take part in government activities and programs as part of a fully self-governing society. These activities include participation in government at the Executive, Legislative, and Judicial level and include elections, law enforcement, and press participation among other opportunities.

Those participants selected will be given a unique opportunity to prepare them for the leadership positions of tomorrow. Former Boys’ Staters nationwide are and have been leaders in many facets of government, military, business, and professional life.

The Indianola American Legion will be selecting two highly qualified Junior boys to attend this very popular and high profile event. Applications are available from Dawn in the counseling office. Deadline is February 7th.
