

## Hidden Hearts Walk McVay Trail February 8 - 21

**NEW  
EVENT!**

Join WCCB and Indianola Parks and Recreation for a hike-when-you-please event. Hike along the McVay Trail in Indianola and see if you can find 50 hidden hearts.

The hearts are all different sizes and colors. Please leave the hearts in the location that you find them for others to enjoy. There will be a sign at each end of the trail to show where it starts and finishes. This event is geared for the whole family.
