

INDIANOLA PARKS & RECREATION

FUN TIMES

ART CLASSES, SPRING 2023

ABOUT THE INSTRUCTOR

Kaylee May has her Masters in Education and has taught at Emerson Elementary for 8 years. She is often inspired by her 4 and 2 year olds.

ABOUT THE ART WORKSHOP

The hour-long workshops employ process artwork, an artistic movement in which the end product is not the focus; rather, each parent and their child artist concentrates on the process of gathering, sorting/collating, associating/patterning, and creating.

YOUR ARTIST WILL...

- access 8+ exploratory stations and take home works of art
- investigate a variety of materials and STEAM activities (a teaching approach that combines science, technology, engineering, the arts and math.)
